NewBurg (N. Y.), October 18th.—The weather is delightful for the Centennial celebration of Washington's disbanding and tak-ing leave of his victorious army. At least neighbors, who universally praise it in high terms.

TIMELY ADVICE.

I have been troubled with kidney disease and gravel for a long time, with severe pains in my limbs and back, with inflammation of bladder. My of State troops the parade is not even forming at the time appointed for march. Trains on the North Hudson River road are delayed by the breaking down of the engine of a way cians and medicines, when a friend from Malden, train with nineteen crowded coaches. coaches crowded with passengers. President Arthur sent a letter of regrets. Conkling was also invited, but could not come. Governor and their staffs, Generals and their staffs and I am in excellent condition, and I feel that a word from me may be the means of saving some friend that may be suffering as I did, before taking Hunt's Remedy, the best kidney and liver cure.

It marched in five divisions, with five bands of music in each division. The line of march was crowded with people, who applauded enthusiastically Windows and steps were everywhere filled with ladies, who clapped their hands or waved handkerchiefs as the troops marched

Mass. Have deen the search of the procession reached the grand stand, there was great enthusiasm among the people. The Governors of different States, Senator Bayard, the chaplain, orator, poet and others who had special parts assigned them in the exercises, were in the line. The march past the reviewing stand took place to enlivening music, and the parade was dismissed. The people then hastened to the lawn in front of Washing-ton's haddenarters, where the exercises took ton's headquarters, where the exercises took the a headquarters, where the exercises took place. After an introductory overture by the fine band of the Seventh Regiment, Mayor Ward called the assemblage to order, and Dr. S. Ireræus Prime joffered a prayer. The Senator delivered an eloquent address, and was frequently applauded. Then followed "Hail Columbia," by the chorus and band, an original poem by Wallace Bruce, and the grand chorus of "No King but God." Senator Bayard then presented the orator of the day, Hon. Wm. M. The success of the movement in New Jersey Central, it is reported, has induced some of the largest holders of other stocks to com bine for a similar purpose, and the belief obtains that some stocks will shortly be singled out and boomed up sharply to force the bears to cover. Some of the bears have employed the Vanderbilt and Gould brokers to sell stocks with a view of creating an impression that those operators are unloading. This fact was brought to light this afternoon, and had

its influence, stimulating the rally near the lose. It is reported that an additional £100,-000 in gold has been shipped from the other side.
